STAFF & FAMILY SWIM SLOT - SEE BELOW

Swimming Pool

No need to book just turn up and swim, the sessions are free and supervised by our lifeguard team. All children under 8 years old must be accompanied by an adult with them in the water, at all times. No non-swimmers are to go out of their depth or past the signs on poolside.

The use of the fins and large red and blue floats and diving from the blocks is no longer allowed, due to safety reasons. Noodles and small floats are still available.

The use of other equipment is limited, so please ask the lifeguard on duty when you arrive.

The maximum capacity of swimmers in the water are 20 at one time. If more people arrive, it will be a one-in-one-out rotation.

Cancellations of swim slots or changes to timings will be posted on AllStaff Teams.

Please be kind and respectful to our lifeguard team.
